

ABSTRACT PRESENTATION RULES

E-Poster Presentation

The presentation must be in **English**, no exception.

The presentation of the abstract must follow the design of the given PowerPoint template, which can be found on the congress website.

The e-poster will be presented in a 49" TV, displayed vertically.

The e-poster must not exceed 30MB. If it does, it will be automatically excluded.

The font and color must be the ones given on the template.

All authors and the main institution they belong to must be shown below the title.

Time of presentation will be 7 minutes, followed by 3 minutes for discussion.

The use of images is permitted.

The use of video or audio aid is NOT permitted on e-posters.

No institutional logos can be added to the powerpoint template. The only logo that must be in the presentation is the congress logo.

IMPORTANT

It is not permitted to make significant changes to the presentation content regarding the abstract submitted for review. In case the committee detects any, the abstract will be automatically excluded from the congress.

Important: In order to be able to present the e-poster, the presenting author must be registered for the congress.

Please, send your presentation via email to arrhythmias2019@mci-group.com before Monday 21 October 23.59hs. Every presentation sent after this date will be excluded from the congress.

The name of the file must be formed by the word POSTER and your abstract ID number, which can be found in the confirmation letter you received when submitted the abstract. For instance, if your abstract ID number is 0000, the file must be named "POSTER0000".

You will also need to take the presentation in a drive to the congress to avoid any technical issues.
